

Difficult navigation spots

and places where you may go wrong

**These are places where runners had difficulties last year
Please look at the relevant photographs at**

Stage 1 - 2.0m take small gate on left at bottom of Nooning Lane not big gates in front of you.

Stage 2 - 0.7m take the dirt road left, not straight on.

4.6m leave canal crossing bridge 20

7.3m turn left, duck pond now on your right.

Stage 3 - 6.0m go R just before the first farm building

7.0m the overgrown lane can be difficult to negotiate and the exit stile hard to find.

7.3m the exit gate after the pond is not easy to see and the next field exit is also not obvious

9.4m find the clip point on fence by DN, don't go straight on through gate and miss it.

Stage 4 - 0.2m crossing the first field after Pimms Road

involves going due E across the hillside, stile not easy to locate initially.

Stage 5 - 2.5m the required stile has no signs on it and

there is no obvious path diagonally across the field

Stage 6 - 0.6m, at clip point go R at 90° to path you have

come down, heading S-E.

- 2.0m, the kissing gate may be hidden in the hedge on R
